**Supreme Court and trial by jury initial review: November 14, 2010**

Richard-Enrique: Ulloa presented all documents in Foreign Case 10-CR-321, and presented his case and informed the court and the jury of the Private Commercial Administrative process that was undertaken, Richard-Enrique presented all aspects of the Administrative process, and the fact that the parties never responded as they were required and that the parties were in commercial dishonor.

## **Supreme Court and trial by jury final review: November 28, 2010**

The Supreme Court invited all parties back for a second jury review; all interested parties were invited by Summons which was sent First Class mail and Priority Mail with Delivery Confirmation. All Parties are expected to show.

## **Supreme Court and trial by jury determination:**

All documents claimed to be invalid or false in foreign case 10-CR-321 have been reviewed and deemed valid and proper.
